

WHAT'S HOT IN WORK COMP

Managing General Agents | Wholesale Insurance Brokers

(800) 878-9891

ArlingtonRoe.com/Workers-Compensation

When your contracted carriers cannot assist you, we have multiple markets that can serve you based on individual risk factors. We have markets that specialize in under \$10,000 premium accounts all the way up to national accounts.

With expertise and strategic market relationships, Arlington/Roe specializes in crafting programs that fit your clients, whether they have minimum risk, multistate or large, complex organizations.

The following are a few class codes that are on our HOT LIST:

3081	Foundries	7231	Mail, Parcel or Package Delivery
3113	Tool & Die	7382	Non-emergency Transport
3400	Metal Stamped Goods Mfg.	7705	Ambulance Service
